Foothills Gateway plays a large role in our local community. They provide supports and services to over 2,600 individuals with intellectual and developmental disabilities and their families. They employ over 250 people locally and contract with an additional 75+ service provider agencies who employ an additional 300+ people that assist in providing services to our local individuals and families.

There are a variety of programs offered at Foothills Gateway:

- The Early Intervention program offers services to infants and toddlers (ages 0-3) experiencing either developmental delays or disabilities.
- The Adult Care Services program is the one of two overnight respite care facilities in the state for adults with disabilities.
- The Supported Employment program serves 110 adults living in Larimer County; helping them find and maintain employment in the community.
- The Transportation program utilizes 67 vehicles, driving about 45,000 miles per month to provide transportation for approximately 250 adults.

Colorado ranks 48th in the U.S. for state funding of these services and programs. As of February 2018, over 1,200 individuals and their families are waiting for services through Foothills Gateway. They may have to wait years, although 29% have indicated that they need services immediately.

Your support of the Foothills Gateway events will assist in allowing us to continue serving individuals with intellectual and developmental disabilities and their families. You will be a part of empowering individuals to achieve their full potential and independence.
